

Employee benefit: High-speed Internet from Time Warner Cable Business Class

As one of our partner providers, we are pleased to announce that Time Warner Cable Business Class is now offering high-speed Internet access directly to Boeing employees.

For just \$47 per month, new subscribers will receive TWC Business Class High Speed Data at 10 Mbps x 1.5 Mbps with one dynamic IP address. A low \$50 installation fee applies for new customers.

Existing Boeing employees with Time Warner Cable Business Class high-speed internet service will need to complete a simple form to continue service without disruption. The monthly \$47 service fee applies, and the \$50 installation fee is waived for existing customers.

Any applicable state and local taxes are in addition to the monthly service and will appear on your invoice as a separate charge.
